

L2TReC Student Research Grants Program
Proposal Cover Page

Student's name _____

Degree program/major (e.g., BA biology) _____

Title of research project _____

If applicable, IRB application number _____ and approval date _____.
(Please note: no funds will be released without an approved IRB application).

50-word abstract of research project (for publication on the Center's web site if the proposal is funded):

If my proposal is funded, I understand that:

- funds may be used only as indicated in the proposal budget;
- funds must be used within one calendar year of the date the grant is awarded;
- I must submit original, itemized receipts in order to be reimbursed for research expenses (ask Catherine Scott (c.scott@utah.edu) how to document compensation paid to research participants);
- travel expense reimbursement is subject to University restrictions (see www.travel.utah.edu); and
- research involving human research participants must be conducted in accordance with University regulations and be approved by the Institutional Review Board (<http://www.research.utah.edu/irb/>).

Signature _____ Date _____
